CabMark CM-Proprint

Label Printer

Features

The **CabMark CM-Proprint** is a robust, portable thermal transfer label printer designed for on-the-go labeling applications. Combining advanced thermal transfer technology with compact design and easy operation, it ensures clear, durable prints on various consumables such as tags and heat shrink tubes. Featuring automatic full cutting and seamless connectivity options, the CM-Proprint meets diverse industrial and commercial labeling needs efficiently.

Key Benefits

- **Portable & Ergonomic:** Lightweight design for easy handling and mobility.
- **Easy loading:** Change between products in seconds – mount cassette and settings is done for you!
- **Full day operation:** Brings you easily through a full workday on one single charge.
- **High Print Quality:** 203 dpi resolution enables sharp and legible labels.
- **Fast & Efficient:** Prints at 25 mm/s with automatic full cutting for smooth operation.
- **Versatile Consumables Support:** Compatible with Cablemarkers, tags, heat shrink tubes, and more.
- **Rechargeable Battery:** Rechargeable 1200 mAh lithium battery. Charged by USB-C or 5V Jack power adaptor. printing.
- **Flexible Connectivity:** Bluetooth 5.0 for wireless operation, plus APP and PC connection options.
- **User-Friendly:** Internal memory stores up to 10 label files.

Technical Data

Parameter	Specification	Notes
Print Technology	Thermal Transfer	
Print Resolution	203 dpi	
Effective Print Width	15 mm	
Print Speed	25 mm/s	Approximate
Cutting Mode	Automatic full cut	No manual cutting needed
Battery	Built-in 1200 mAh lithium-ion	Rechargeable
Dimensions (L×W×H)	190 mm × 100 mm × 53 mm	Compact design
Weight	Not specified	Portable and lightweight
Connectivity	Bluetooth 5.0, APP & PC link	Easy integration
Power Supply	USB Type-C 5V 1A or Adapter 5V	Efficient power management
Internal Memory	Stores up to 10 label files	Quick access
Operating Temperature	10°C to 35°C	For optimal performance
Storage Temperature	-10°C to 55°C	Extended durability

Supported Consumables

- Cable Markers
- Tags
- Heat Shrink Tubes
- Label Tapes (various types suitable for thermal transfer)

Applications

Suitable for wire & cable marking, retail labeling, logistics, asset identification, and industrial environments requiring portable, reliable, and high-quality thermal transfer printing.

Package Contents

- CabMark CM-Proprint Printer × 1
- Power Adapter × 1
- USB Type-C Cable × 1
- User Manual
- CableMarker Yellow × 1 (sample) + Label Tape × 1 (sample)

Comments, compliance & Quality Manufactured to high-quality standards, ensuring durability and consistent performance under specified operating conditions.
